Alison Cooper
Chief Executive

Strategy Delivering Growth

Tobacco Maximisation

Share gains in priority markets supporting growth in net revenue

Quality growth through Growth and Specialist Brands

Next Generation Products

Significant step up in NGP, *myblu* rollout

Innovation driving portfolio expansion

Our 2019 Priorities

Tobacco Maximisation

- Maintain growth momentum
- Focus on Growth & Specialist Brands
- Quality growth in priority markets

NGP

- Accelerating revenue growth
- £100m investment in first half
- Expect to be profit positive as we exit 2019

Sustainability Strategy

- Designed to enable growth and create value
- Addressing the issues most important to us and our stakeholders
- Working towards achieving wood sustainability for our farmers in Africa by 2022
- NGP research supporting scientific and regulatory engagement
- Reducing environmental impact by minimising waste, improving energy efficiency and reducing emissions.

Exceeding Our Environmental Targets

	Energy	Carbon	Water	Waste	Waste to landfill
2020 Target	20%	20%	10%	5%	-
What we delivered	41%	30%	41%	12%	58%
