

CDP SCORE REPORT FORESTS 2022 - Timber

Imperial Brands

Region	Europe
Country/Area	United Kingdom of Great Britain and Northern Ireland
Questionnaire	Food, beverage & tobacco
Activity Group	Tobacco

The CDP Score Report allows companies to understand their score and indicate which categories require attention to reach higher scoring levels. This enables companies to progress towards environmental stewardship through benchmarking and comparison with peers, in order to continuously improve their forests governance. Investors will additionally receive a copy of the CDP Score Report upon request. For further feedback please contact your account manager or your key CDP contact.

CDP SCORE REPORT FORESTS 2022 - Timber

CATEGORY SCORES

If a company scored C or below, they will not have been scored for Management or Leadership points (the dark green line represents this).

Please download the [CDP Scoring Introduction](#) for more information.

CATEGORY SCORES BENCHMARKING

Each category score in the bar chart represents the progression within each scoring level. The 100% Disclosure and Signoff categories have not been included for category score breakdown as they are not scored at all levels.

Scoring categories are groupings of questions by topic. They are sub-groups of the 2022 questionnaire modules and are consistent across all sectors. The weightings applied to each category highlight the areas most important to environmental stewardship.

To find out more about category weightings for each sector, please download the [‘CDP Scoring Categories and Weighting’](#) documents.
